- An individual shall not be considered to have a handicap solely because that individual is a transvestite.

The housing credit agency administering its low-income housing credit program must, to the best of its ability, provide this disability status information, pursuant to 42 U.S.C. 1437z-8. However, it is the tenant's voluntary choice whether to provide such information, and questions to the tenant requesting the information must so state. If the tenant declines to provide the information, the housing credit agency shall use its best efforts to provide the information, such as by noting the appearance of a physical disability that is readily apparent and obvious, or by relying on a past year's information. For purposes of gathering this information, no questions with respect to the nature or severity of the disability are appropriate.

If there are more than 7 occupants, use an additional sheet of paper to list the remaining household members and attach it to the certification.
