## 2018 Home4Good Frequently Asked Questions

The following questions regarding the RFP for the 2018 Home4Good program have been received.

We hope this guidance will assist you and your organization through the application process.

---

**Q: Can Continuums of Care apply for funds as long as we have an independent rating and ranking apparatus?**

A: Yes, participating Continuums of Care are welcome to apply for Home4Good Funds on their own behalf as long as you have an approved independent review and rating system already in place.

**Q: The RFP states that proposals must address one of the Home4Good Program Goals. Is it acceptable to list more than one goal if we believe we can meet more than one?**

A: Yes, we welcome programs that will make the greatest community impact. Please feel free to address more than one program goal.

**Q. Will funds be divided equally among CoCs (either by four or based on the numbers from our point in time count) or will all proposals statewide compete against one another?**

A. The funds will be allocated as determined by WVHDF and FHLBank Pittsburgh based largely upon population numbers. The anticipated range of funding for each CoC will be published in the RFP.

This document will be updated based on questions submitted by service providers and Continuums of Care. Please contact Donna Martino at [dmartino@wvhdf.com](mailto:dmartino@wvhdf.com) if you have any questions or feedback.
